

## Hardiman Receives Lynn & Nancy Wall Award

*Ann Hardiman (right) receives the Lynn and Nancy Wall Award from Abilities First. Present were Senator Steve Saland (left), Abilities First Executive Director John Thoman (middle) and Pegeen and Tom Wall (photo at right), Lynn and Nancy's parents. As the Residential Director at Abilities First, Ann knew and provided service to Lynn and Nancy, beautiful women who happened to have disabilities and who lived their lives to the fullest until their neurological impairment took them from us.*
