Spring 2019

Dear Friends of Abilities First,

Yearbooks capture the very best memories of the school year, especially at the Abilities First Schools where each milestone is a big leap in every child’s development.

The Foundation for Abilities First NY (FAFNY) asks you to join our school administrators in our efforts to provide a FREE yearbook for every child through the purchase of a sponsorship or a print advertisement in the 2018-2019 Abilities First School Yearbook. With your generosity and support of purchasing a yearbook ad, students of the Abilities First School will be able to reflect on a memorable year.

From our early days as the “Little Red Schoolhouse”, Abilities First has grown from six students, to now serving over 100 youth, ages 5-21 years old, from over 30 school districts, diagnosed with moderate to severe developmental and intellectual disabilities. The Abilities First School has is locations in LaGrange (Dutchess County) and New Windsor (Orange County) with satellite sites at the Red Hook Middle and High School and an elementary class within the Hyde Park CSD.

Founded in 2018, the mission of the Foundation of Abilities First NY is to garner the financial resources necessary to meet the programmatic interests and to assure the sustainability of the mission of Abilities First, Inc.

Along with your ad payment, please fill out the attached Yearbook Ad Form. Check payments should be made payable to “Abilities First, Inc.”
